Toby's Development History

- In 2014, Toby's brand was born. First shop and warehouse were built in Dubai. In July of the same year, Guangzhou Toby's Company was established.
- In 2017, we made it clear the development direction of Toby's brand. **Toby's, brings high quality products, 100% supports clients to get win-win business, leads the auto light market with latest technology.**
- In May 2018, Yiyou shop was opened in Guangzhou, to improve customer experience.
- In 2019, our second brand TBS Design was born. **TBS Design, more focusing on the market, based on Toby's brand, it brings more cost-effective products to the market. On the basis of ensuring stable quality, we provide customers with more competitive products to earn the market.**
- In 2020, Saudi Shop and warehouse were established, to provide better service to customers in Saudi Arabia.
- Since October 2020, Guangzhou office was upgraded to improve employee happiness.
- In 2022, all brand show rooms in Dubai, Saudi Arabia and Guangzhou have been renovated and upgraded to create a professional image culture and provide customers with more professional products and services.
- In 2023, We have our NEW brand LOGO and brand TONE released, New product series and the original series have been upgraded. **STRONGER QUALITY, HIGHER COST PERFORMANCE AND MORE PROFESSIONAL.**

At present, there are 7 Toby's shops and 6 Toby's warehouses worldwide.

XT series

Small base with bent copper tube.

XT55 /55W

Operating Voltage: DC9- 32V

IP Rate: IP65

Light Source Model: SMD light source technology

Color Temperature: 6500K

Operating Temperature: -40°C~+ 80°C

Power:	55W
Luminous Flux:	5500LM

No Driver

XT65 /65W

Operating Voltage: DC9- 32V

IP Rate: IP65

Light Source Model: SMD light source technology

Color Temperature: 6500K

Operating Temperature: -40°C~+ 80°C

Power:	65W
Luminous Flux:	6500LM

XT100 /100W

Operating Voltage: DC9- 32V

IP Rate: IP65

Light Source Model: SMD light source technology

Color Temperature: 6500K

Operating Temperature: -40°C~+ 80°C

Power:	100W
Luminous Flux:	10000LM

● Small Size,
