## Toby's Development History

- In 2014, Toby's brand was born. First shop and warehouse were built in Dubai. In July of the same year, Guangzhou Toby's Company was established.
- In 2017, we made it clear the development direction of Toby's brand. **Toby's, brings high quality products, 100% supports clients to get win-win business, leads the auto light market with latest technology.**
- In May 2018, Yiyou shop was opened in Guangzhou, to improve customer experience.
- In 2019, our second brand TBS Design was born. **TBS Design, more focusing on the market, based on Toby's brand, it brings more cost-effective products to the market. On the basis of ensuring stable quality, we provide customers with more competitive products to earn the market.**
- In 2020, Saudi Shop and warehouse were established, to provide better service to customers in Saudi Arabia.
- Since October 2020, Guangzhou office was upgraded to improve employee happiness.
- In 2022, all brand show rooms in Dubai, Saudi Arabia and Guangzhou have been renovated and upgraded to create a professional image culture and provide customers with more professional products and services.
- In 2023, We have our NEW brand LOGO and brand TONE released, New product series and the original series have been upgraded. **STRONGER QUALITY, HIGHER COST PERFORMANCE AND MORE PROFESSIONAL.**

At present, there are 7 Toby's shops and 6 Toby's warehouses worldwide.

Dragon Castle: 3 shops

Guangzhou: 2 shops

Deria: 2 shops

Saudi Arabia: 1shop

Warehouses: Sharjah: 2, Saudi Arabia: 1, China: 3

## OUR CHINA FACTORY

Hello , welcome to our company , we will provide you with LED car lights and other lighting products one-stop service

# XT series

Small base with bent copper tube.

## XT65 /65W

Operating Voltage: DC9- 32V

IP Rate: IP65

Light Source Model: SMD light source technology

Color Temperature: 6500K

Operating Temperature: -40°C~+ 80°C

Power:	65W
Luminous Flux:	6500LM

## XT100 /100W

Operating Voltage: DC9- 32V

IP Rate: IP65

Light Source Model: SMD light source technology

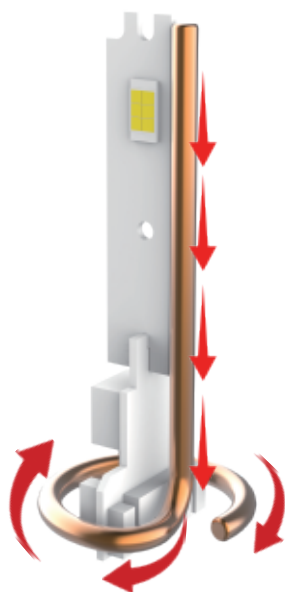

Color Temperature: 6500K

Operating Temperature: -40°C~+ 80°C

Power:	100W
Luminous Flux:	10000LM

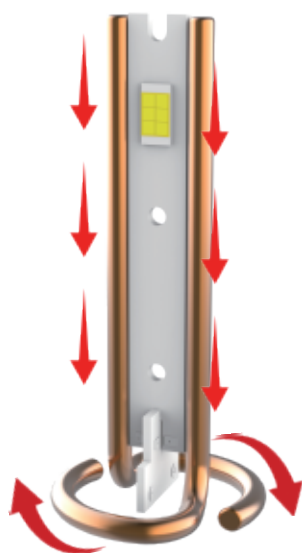

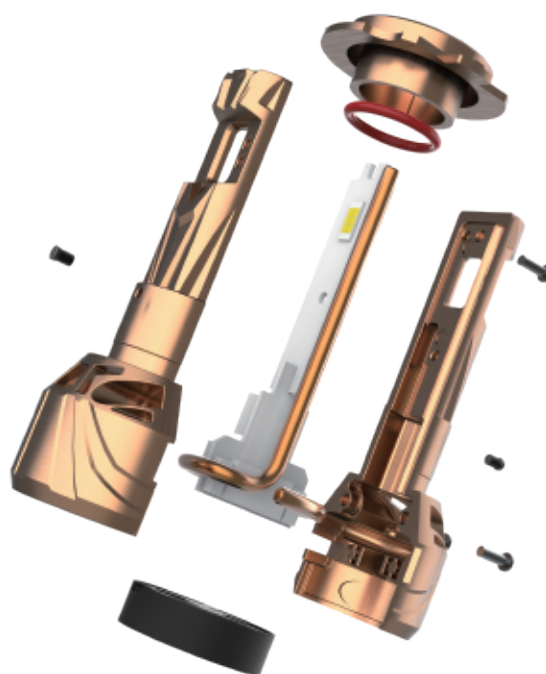

**XT65**

**Bent copper pipe—Fast heat dissipation**

**XT100**

**Double Bent copper pipe**

# U series

“Apple” packaging, enjoy the surprise

## U7 /60W

Operating Voltage: DC9- 32V

IP Rate: IP65

Light Source Model: SMD light source technology

Color Temperature: 6500K

Operating Temperature: -40°C~+ 80°C

Power:	60W
Luminous Flux:	6000LM

## U8 /75W

Operating Voltage: DC9- 32V

IP Rate: IP65

Light Source Model: SMD light source technology

Color Temperature: 6500K

Operating Temperature: -40°C~+ 80°C

Power:	75W
Luminous Flux:	7500LM

## U9 /100W

Operating Voltage: DC9- 32V

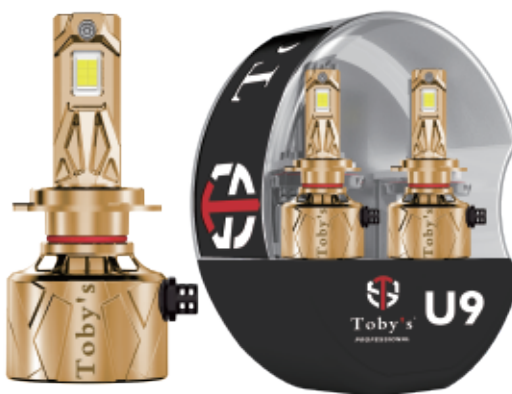

IP Rate: IP65

Light Source Model: SMD light source technology

Color Temperature: 6500K

Operating Temperature: -40°C~+ 80°C

Power:	100W
Luminous Flux:	10000LM

# RS series

Mecha Series

## RS120 /120W

Operating Voltage: DC9- 32V

IP Rate: IP65

Light Source Model: SMD light source technology

Color Temperature: 6500K

Operating Temperature: -40°C~+ 80°C

Power:	120W
Luminous Flux:	12000LM

## RS250 /250W

Operating Voltage: DC9- 32V

IP Rate: IP65

Light Source Model: SMD light source technology

Color Temperature: 6500K

Operating Temperature: -40°C~+ 80°C

Power:	250W
Luminous Flux:	25000LM

6 coppers

High Power Customer Like

# ET series

## Amber Series

### ET120 /120W

Operating Voltage: DC9- 32V

IP Rate: IP65

Light Source Model: SMD light source technology

Color Temperature: 6500K

Operating Temperature: -40°C~+ 80°C

Power:	120W
Luminous Flux:	12000LM

### ET150 /150W

Operating Voltage: DC9- 32V

IP Rate: IP65

Light Source Model: SMD light source technology

Color Temperature: 6500K

Operating Temperature: -40°C~+ 80°C

Power:	150W
Luminous Flux:	15000LM

### ET200 /200W

Operating Voltage: DC9- 32V

IP Rate: IP65

Light Source Model: SMD light source technology

Color Temperature: 6500K

Operating Temperature: -40°C~+ 80°C

Power:	200W
Luminous Flux:	20000LM

# P series **Zinc** technology

**P100 /100W**

**P100 PRO /100W**

Operating Voltage: DC9- 32V

IP Rate: IP65

Light Source Model: SMD light source technology

Color Temperature: 6500K

Operating Temperature: -40°C~+ 80°C

**P85 PRO /85W**

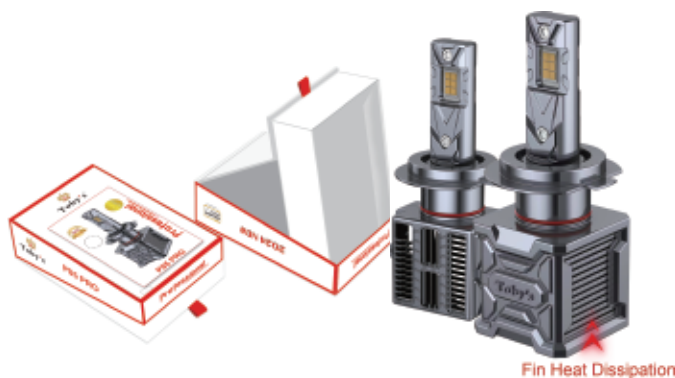

Operating Voltage: DC9- 32V

IP Rate: IP65

Light Source Model: SMD light source technology

Color Temperature: 6500K

Operating Temperature: -40°C~+ 80°C

**P75 / 75W**

Operating Voltage: DC9- 32V

IP Rate: IP65

Light Source Model: SMD light source technology

Color Temperature: 6500K

Operating Temperature: -40°C~+ 80°C

**P60 PRO /60W**

Operating Voltage: DC9- 32V

IP Rate: IP65

Light Source Model: SMD light source technology

Color Temperature: 6500K

Operating Temperature: -40°C~+ 80°C
